**Innovative Therapies
for Kids...
Resources for Families**

Golf AND raise money for children with disabilities...

The Therapy Place's 3rd Annual Charity Golf Tournament will be teeing off at Spring Valley Country Club on Monday, April 18th, and in our event, everyone is a winner! Participants will be treated to a V.I.P. day, with 18 holes of golf, practice range balls, goodie bags and snacks, course contests and on-course beverages. At the end of the day's golf, the awards dinner will offer the return of Bert's Famous BBQ! You'll have the opportunity to peruse the fabulous silent auction and to visit with some of the children who have and will be benefiting from The Therapy Place programs.

And of course, the biggest winners of all will be the children and their families, who will receive traditional as well as innovative therapies not otherwise offered in this state!

***The Therapy Place...
neither geography nor cost
should be a barrier to a child
receiving the therapy he needs
to reach his full potential.***

Friends — \$500

- Company logo listed in Auction Book
- Company name on TTP website with link

Hole Sponsors — \$100

- Name on one Tee Box Sign placed on course

Innovative Therapies...

In 2009, thanks in part to the participants of our *first* charity golf tournament, 8 children with cerebral palsy experienced 5 weeks, 3 hours per day (75 hours!) of Conductive Education—a program combining physical and occupational therapy techniques with educational methods to help children with motor disorders gain independence through improved mobility, social and daily living skills.

The children realized improvements in muscle tone, helping muscles to grow properly. Participating in regular stretching and exercise improves strength and limits the propensity for muscle deformation and bone fractures.

In 2010, The Therapy Place moved into a 7,500+ square foot facility to provide traditional and innovative therapies. This Tournament will allow us to purchase equipment, provide scholarships and provide a resource room for our families. Please visit our website or come see the center for yourself to learn more about our programs and the special children we serve!
